Team Download Package

An Actionphotos exclusive-

The Team Download Package allows anyone on your team to login to our servers and download the pictures they want directly to their computer at home. No waiting for CDs in the mail and no wrestling with hundreds of images. You can download as many or as few as you want. They will be available for download within a week of the end of the competition and will stay online indefinitely.

Once on your computer those images belong to you. They are the high-resolution images, straight out of the camera and you can print them at home, email them, post them to your team's website or take them wherever you get prints made.

The Team Download Package is a flat fee of \$375 and the cost per skater decreases the more skaters you get involved. Discounts are available for multiple-team purchases.

Cost: \$375

Breakdown:	20 skaters	\$18.75/skater
	19 skaters	\$19.74/skater
	18 skaters	\$20.83/skater
	17 skaters	\$22.06/skater
	16 skaters	\$23.44/skater
	15 skaters	\$25/skater
